25X1

No.

4. Received call from Mr. Athearn, attorney for Eros Records, who was requesting permission to use master records made by Marlene Dietrich during the war for OSS. Informed Mr. Athearn that we had written him that the Government had no objection to such use and there were certain copyright problems with which the Government had no concern.

No

25X1

No

6. Attended the luncheon of the General Counsels' Committee of the Federal Bar Association, and among other items discussed, the most important is the note of the formation of a subcommittee on government procurement. If this subcommittee gets in operation, it might be useful for consultation in connection with overall Agency procurement problems.
